## CIVIC SALARIES STILL A WORRY TO COUNCIL

In Future, Increases Will Only Be Considered In January and June

Although the meeting of the City Council on Monday evening was quite a lengthy affair, yet there were but very small after results to show. One of the reasons for this was the lengthy argument with regard to the salaries of civic employees, a subject which, in these days of rapidly increasing salaries, is even more rapidly becoming a problem for the City to handle. The cause of the trouble this time was a letter from Mr. W. Sabine, the sewer foreman, who, in a lengthy epistle, complained of unfair treatment from the council in this respect. After pointing out the details and circumstances of his particular case, Mr. Sabine asked for an increase in tones which breathed that no refusal would be tolerated. The result of the council's deliberations was a unanimous decision that in future applications for an increase in salary would only be considered upon two occasions throughout the year, in January and in June. The matter of the previous similar demand made by Chief Constable was mentioned by Ald. Rattenbury who announced on behalf of the Police Commissioners that a satisfactory arrangement had been made with the Constable. The results of the argument may be summed up in the resolution which was passed reading as follows: "That Constable Thomas be granted an increase in salary of \$15.00 per month, Mr. Sabine an increase of \$10.00 per month, and Mr. Swainson an increase of \$10.00 per month.

The Mayor reported that owing to the heavy duties of the City Clerk he had instructed that a stenographer be advertised for, which had been done judging by the small stack of replies. These were considered, and during the discussion it was suggested that for the present at least extra help for half time should meet the requirements, though should circumstances later warrant more help arrangements would so be made. The application of Miss Janet Johnston, of Kelowna, was favorably considered, partly because it was believed that she would take the position for part time, and accordingly the Clerk was instructed to advise her to interview the Mayor for the purpose of coming to some arrangement.

A letter from the Kelowna Board of Trade called attention to the dangerous practice of indiscriminately burning rubbish in the vicinity of the packing houses. This rubbish usually comprises such inflammable stuff as boxes and paper from the warehouses. Such litter, it had been claimed at the Board of Trade meeting was frequently set alight in the evening and left unwatched during stiff breezes. Ald. Meikle promised to look into this matter with Fire Chief Alsgard and have conditions improved so that the city would not be subjected to this menace.

## Markets Report

Prairie Markets' Commissioner.  
By J. A. GRANT,

### THE WEEK IN CALGARY

Shipments of fruit to this market of the kind that B.C. can produce has all come from there, excepting four cars of pears which arrived from Washington. The following will give shippers an idea of Calgary's weekly importations. From Wednesday, September 18, to Wednesday, September 25, cars of fruit and vegetables have been spotted here as follows:

Mixed fruit, 15; apples, 12; tomatoes, 8; pears, 5 (4 from Washington); prunes, 6; plums, 3; peaches, 1; vegetables, 1; potatoes, 1.

The decrease in vegetables and potatoes is accounted for by the plentiful local supply. Prunes slipped badly last Saturday, owing to the arrival of two cars from Grand Forks showing shrinkage. The market is well supplied in all lines, and prices are steady.

### Calgary Wholesale Prices

Wealthy, Jeffries and Gravenstein, \$2.50 to \$2.65.

An orchestra will be in attendance, and war time refreshments will be served. The Athletic Club is arranging for games in the Park on the afternoon of the same day.

## Co-Operative Buying To Reduce Prices

Combination of Local Merchants Will Enable Kelowna Public to Buy Cheaper

The co-operation of the retail merchants of Kelowna and the Okanagan Valley with a view to lowering their buying costs, which will in turn enable them to reduce their selling prices and easily compete with mail order figures, was what was decided upon at a meeting of local merchants at a meeting held on Wednesday evening of last week. Mr. Geo. Hougham, of Nanaimo, the secretary-treasurer of the Dominion Retail Merchants' Association, was assigned the task of bringing the Kelowna retailers into line with those in the other cities of the province and of the Okanagan Valley in particular. Mr. Hougham proved a fluent and pleasant speaker, and his arguments appeared to fall on anything but stony ground. The meeting here, which though small was fairly representative, speedily fell into line with the suggestions put forth by the visitor, which were that the Okanagan merchants should combine together in their buying, and then demand of the manufacturer prices on the goods they wished to buy which would enable them to undersell the large departmental stores and mail order houses, thus giving the consumer the benefit of reduced prices in many cases and aiding materially to reduce the cost of living. This not only applied to jewellers and druggists, but also to grocers, drygoods, hardware and furniture merchants and outfitters of all sorts.

In addition to this phase, which was perhaps the most interesting to the general public, there were numerous trade problems which could be handled in better shape by the joint action of retailers in to one great co-operative organization. In Saskatchewan, which was the strongest organized province of retailers, they had already a membership of about 2,000 out of a possible 2,600. They had been pushed to take some steps there by the Grain Growers' Association as well as by the mail order houses, with the result that they had discovered that by organizing into a co-operative concern they found themselves the masters of the situation, able to break up the wholesale and jobbing rings which were holding up prices. They had chosen barbed wire as their first line of competition, and had found that by co-operative buying they had easily left their mail order competitors in the background. Other commodities had speedily followed.

Another instance of the need of the national organization was illustrated by the action of the members of the Canada Food Board who had endeavoured to have legislation passed which would forbid a license being granted to any wholesale house in which retail stock-holders were involved, as this would have prevented wholesalers from holding certain prices up. Action by the national secretary of the Association had fortunately prevented such legislation from going through.

The meeting was unanimous in agreeing that the consuming public would buy from whom they could buy cheapest, and that if the small retail firms wished to save themselves they must band together and buy direct from the manufacturers in even larger quantities than their mail order competitors, thus eliminating a profit. Many other matters of interest only to the retail trade were discussed, after which it was decided that a meeting of the Retailers' Section of the Board of Trade should be called in order to present the facts to these local retailers who were not present. In the meantime, several business men announced their intention of joining the Association without further delay, in order that prompt co-operation with Vernon and other neighbouring cities could begin without hindrance.

## B.C. Older Boys Will Hold Conference Here

Will Make Plans for Good Training and Leadership on Oct. 18, 19 and 20

Of the three conferences being held this year by the British Columbia Older Boys, one is to be held at Kelowna, and will take place on October 18, 19 and 20. Details and particulars as to this conference, which will probably be attended by hundreds of boys from various parts of this province, will be announced shortly. These conferences are for boys and leaders over 15 years of age looking forward to leadership. Each class of boys in every Church or Sunday School or similar institution is entitled to send a representative, so it is felt certain that the generosity of citizens will be called upon to billet the numerous visitors who are expected.

This movement, which has for one of its objects the training of boys for life, for leadership, for citizenship and for service, has the support and sanction of the leading protestant denominations, as well as the Y.M.C.A. Their official programme is the Canadian Standard Efficiency Training, recently revised. Their provincial committees are composed of representatives appointed by the governing body of each denomination and association carrying on work in the province. The value of attendance at these meetings is strongly urged upon men and older boys, as well as the boys particularly referred to.

A brief synopsis of the annotated programme of the Kelowna conference is as follows:

### Boys' Work Conference

Friday morning, 7.45 to 9.45—Song service. Service of Worship. Nomination of officers. The new Crusade. Leadership. Your Conference. Organization of Conference into Squares.

Saturday morning—Meeting of Leaders, Mentors and Pretors. Roll Call of Squares. Devotional Period. The Value of the Morning Watch. Elections. Bible Study for Tuxis Boys. The Tuxis Programme. Square Sessions.

Saturday afternoon—Mechanics of C.S.E.T. Denominational Conferences. Recreation. Conference Supper.

Sunday morning—Session of Squares. Services in all Churches. Afternoon—Boys' Forward Step Meeting. Evening—Service in all Churches. Closing Session.

### Leadership Conference

Friday afternoon—Preliminary meeting at 4 p.m., lunch at 6.15, conference songs at 7.00. The C.S.E.T.—What it is, 7.15. The Mentor. Conference Aims and Plans.

Saturday morning—Meeting of Leaders. Devotional. The Place of Worship in a Boy's Life and How to Secure It. Graded Bible Study for Boys' Classes and How to Teach Them. 10 a.m., The Teacher Training Drive. 10.30, The Forward Movement. Planning for Sessions of Squares. 11.00 Session of Squares.

To the initiated, the word "Tuxis" Boy or New Crusader, is full of significance. Briefly, the first and last letters are the initial letters of the two words: "Training for Service." The "X" in the centre of the watchword stands for the Cross or for Christ. The other two letters "U" and "I" stand for You and I, the members of the organization and the non-members, not alone but together.

There are only two other conferences being held this year, one at Victoria and one at Nelson, the former from Oct. 11 to 13, and the latter from Oct. 25 to 27, and there is no doubt that the Kelowna one will be successful from every point of view.

Mrs. McKinley appeared in the City Police Court on Wednesday morning to answer a second charge for not sending her boy to school. She claimed that the boy had run away and was, therefore beyond her control.

## Glenmore Notes

Mrs. J. Vint left on Monday to visit her former home at Regina.

Rev. and Mrs. Vernier, of Ellison, visited the valley on Sunday.

Mr. and Mrs. J. B. Knowles were guests of Mr. and Mrs. J. B. Cushing on Sunday.

Major Feltham left on Saturday afternoon to spend a short time on his ranch at Penticton.

Work on the irrigation ditch was begun last week and ranchers have had to forego water in consequence.

A knitting party was held at the home of Mrs. P. A. Lewis on Tuesday, October 1. All ladies are invited to join them at the home of Mrs. Ritchie, Hillside, on October 15.

Last overseas mail brought the sad news of the death in action of Corporal Neville Hughes by shell shot. A few will remember his coming to the valley in the spring of 1912 with his cousin, Mrs. R. E. J. Hunt. After a short stay here and at Golden, he returned to Indian Head, Sask., where he answered his country's call for men in August, 1914. After completing four years of service for his country the call to "go west" came the first week in September.

## THANKSGIVING SERVICE AT ANGLICAN CHURCH

The Harvest Thanksgiving services at the Anglican Church last Sunday were notable for their hearty character, for the dedication of the new organ choir and clergy stalls and, lastly, because for the first time, the choir occupied its proper place in the chancel.

The building was tastefully decorated and no more suitable occasion could have been chosen for the dedication of the handsome memorial to the late Capt. Anthony Temple. The inscription on the Archdeacon's Prie Dieu reads as follows:—

In Memory of  
Captain Anthony Temple  
2nd C.M.R.  
Killed in action at Ypres,  
April 5th, 1916.  
R.I.P.

## HON MARTIN BURRELL HERE ON SHORT VISIT

## Orchard Run

Of course there have been the annual grumblings recently against the restrictions which the government at Ottawa have seen fit to have made forbidding fishing for kickaninnies with a net. Mr. Gartrell, of Summerland, who looks after fishery matters here for the Dominion is said to have stated, despite numerous statements to the contrary, that these fish can be caught with a hook the same as other fish if the right bait is used, recommending a black ant wrapped in a pink rose petal for the purpose. Surely he forgot to mention the eau de Cologne!

On October 18, 19 and 20 a huge conference of Sunday School boys and their leaders is to be held at Kelowna. Owing to the fact that it is a Sunday School conference the affair will probably have little interest in the eyes of the majority of adults. This, however, is far from as it should be, for there is a distinct line of connection between the great war which we are all so interested in and this conference held at little Kelowna. Every Britisher has no doubt in his mind that today we stand at the portals not only of peace but of victory. Peace, may it be true, is a long way off, but with the surrender of Bulgaria and the consequent encirclement of the two great nations who have been opposing us, the end is recognised as being only a matter of time, and the result one of certainty. The British Empire will be in the proud position of being able to look back upon a most wonderful programme of achievement. It is far from an idle boast to say that she has been the big fighting force of the Allies, particularly by her control of the seas, her finance and her ceaseless source of supplies and materials. When the war is over, Britain will be in a mighty position, and with her increased power will come an in-

creased responsibility, and who will have to shoulder that responsibility but the young Britisher of today? When we remember that the greater the height the greater the possible fall, and when we call to mind the depth that boastful Germany has been able to fall to in this war, it would not be surprising if we feared a little for the future. Surely the moral training of our young men and boys of today cannot be too important. The C. S. E. T., or Canadian Standard Efficiency Training, is the ruling program for the movement which is holding its conference here this month. It is not a "milk and water" affair, it is not merely a "religious" conference, but might be called the inception of a new order for the training of true citizenship, of service to the Empire and to mankind. With similar conferences and similar work being carried on across the wide Dominion one can easily believe that the Canadian citizen of the future will handle the great problems which will unfold with a cleaner, steadier hand than they have been handled with in the near past, and that he may be relied upon to play a man's part in the hidden peace or war days of tomorrow, scorning the dangerous "kultur," so apt to be born of a proud and mighty nation, in favor of the service and simple training of a mere "Tuxis Boy."

SEPTEMBER REPORT  
OF AMBULANCE LEAGUE

During the month the following articles were sent to headquarters:—30 suits of pyjamas, 54 stretcher caps, 138 pairs of socks, 60 personal property bags, 42 shirts, 36 ties, 3 surgeons operating gowns, 1 tray cloth, 24 face-cloths, 36 towels.

The following articles were received from outside branches during the month:

Benvoulin—3 surgeons operating gowns, 6 stretcher caps, 10 pairs of socks, 24 face-cloths, 36 towels.

Okanagan Mission—7 suits of pyjamas, 7 pairs of socks, 6 stretcher caps.

The following contributions are gratefully acknowledged:—

Mrs. Henning, 1 pair of socks; Mrs. Jones, 1 pair of socks; Mr. H. B. Burch, 1 pair of socks.

Cash contributions during the month were:—Mrs. Boyce, \$5.00; J. Ball, \$2.00; Davy & Mills, \$10; Mrs. R. A. Pease, \$5.00; Mrs. Cunningham, \$2.00; Mrs. Packham, 50c; Miss Guernsey, \$1.00; Mrs. Cameron, \$1.00; Mrs. Wilson, \$1.00; Miss Menges' concert, \$46.05, making a total of \$73.55.

The balance from July was \$567.85, making the sum of \$641.40.

Expenses for September came to \$330.00, leaving a balance on hand of \$311.40. The league takes this opportunity of thanking Mrs. Raymer for the use of the theatre on Friday last, also Mr. Hubbard who assisted in many ways.

BERRY GROWERS MUST  
USE ONE SIZE BOX ONLY

British Columbia berry shippers have been notified of a Dominion Government order that on and after June 1, 1919, but one size of berry boxes will be recognized.

In the past there have been three distinct sizes and shapes in use, and this has made it hard on the users of the larger sizes, because it was found that the public generally preferred to buy the cheapest box, whether it contained a lesser amount of berries or not.

This move has met with the general approval of the dealers and shippers as well, besides having the approval of the manufacturers and the Canadian War Board.

# Vernon Assessment District-Continued

Acknowledgements to Luke Pilder

To every home there comes a time when every thought, every hope, every prayer for the future centres on the recovery of one loved one. In that hour of anguish, every means to recovery is sought—the highest medical skill, trained nurses, costly treatment. Does the price matter?

★ ★ ★ ★

It may be so great as to stagger the imagination—a sum beyond the possible.

But does anyone ask, "Can we do it?"

Money or no money, they do it. And somehow they pay.

It may mean doing without things they think they need. It may mean privations, sacrifices, hardships. They make unbelievable savings, they achieve the impossible, but they get the money to pay.

★ ★ ★ ★

To-day in this critical period of our nationhood, there is imperative need for MONEY—vast sums of money.

Only one way now remains to obtain it.

The nation must save, every community, every family, every individual Canadian must save.

If anyone says "I cannot save" let him consider to what extent he would pinch himself to relieve the sufferings of a loved one at home; and surely he would not pinch less for our fighting brothers in France.

Without suffering actual privations, nearly every family in Canada can reduce its standard of living, can practice reasonable thrift, can make cheerful sacrifice to enrich the life-blood of the nation.

You who read this, get out pencil and paper NOW. Set down the items of your living expense. Surely you will find some items there you can do without.

Determine to do without them.

Start TO-DAY. Save your money so that you may be in a position to lend it to your country in its time of need.

The Minister of Finance  
of Canada.

## ANNOUNCEMENT THE PRINTERS ARE NOW AT WORK ON WRIGLEY'S British Columbia Directory

Compiled and Printed in British Columbia—Endorsed by B. C. Government, Boards of Trade, Manufacturers' Association and other bodies.

### IN FIVE MAIN SECTIONS

**BRITISH COLUMBIA YEAR BOOK**—One hundred pages of official data, covering Agriculture, Lands, Timber, Mining, Fisheries, Shipbuilding and Public Works, prepared by the various Departments. This section will cover fully the development in British Columbia.

**GAZETTEER**, describing over 1900 cities, towns, villages and settlements within the Province, showing location, distance from larger points, how reached and by what lines, synopsis of local resources, population, etc.

**ALPHABETICAL DIRECTORY** of all business and professional men, Farmers, Stock Raisers, Fruit Growers, etc., in all towns and districts.

**CLASSIFIED DIRECTORY** of Manufacturers, Retailers, Producers, Dealers and Consumers, listing all products from the raw material to the finished article.

**TRADE NAMES AND TRADE MARKS**—A list of popular trade names alphabetically. If you want to know the manufacturer or selling agent of a trade-name article, look up this section.

**INCORPORATED CITIES**—All gazetteer information in the Directory of the incorporated cities of the Province will be prepared by either the City Council or the Board of Trade, thereby official.

**ADVERTISING BRITISH COLUMBIA**—It is necessary to continue to advertise British Columbia outside of the Province, in order that tourists and settlers will continue to come. With this aim in view, a copy of the Directory will be placed in the leading Libraries and Boards of Trade throughout the Canadian Prairies, Eastern Canada, the United States and abroad. The Directory will be used by prospective tourists and settlers as an official guide of the Province.

The subscription price of the Directory is \$10, express paid. Address your order to

## Registration of United States Citizens

Male citizens of the United States living in Canada of AGES 21 to 30, both inclusive, MUST REGISTER BY REGISTERED POST with the registrar under the Military Service Act of the district in which they live, during the TEN DAYS NEXT FOLLOWING SEPTEMBER 28th, 1918; and such CITIZENS OF THE AGES 19, 20 and 31-44, both inclusive, must so register during the ten days next FOLLOWING OCTOBER 12th, 1918.

It must be emphasized that THIS INCLUDES AMERICANS LIVING IN CANADA OF THE ABOVE AGES, MARRIED AND SINGLE, AND INCLUDES ALSO ALL THOSE WHO HAVE SECURED DIPLOMATIC EXEMPTION OR HAVE REGISTERED WITH AN AMERICAN CONSUL, OR HAVE REGISTERED FOR MILITARY SERVICE IN THE UNITED STATES.

Registration letters may be handed to local postmasters for despatch to the proper registrar, under the Military Service Act.

## Notice—Military Service Act, 1917 Men Exempted As Farmers

Having in view the importance of leaving a sufficient number of men on those farms which are actually contributing to the national food supply, notice is hereby given as follows:

1. ALL MEMBERS OF CLASS 1 POSSESSING EXEMPTION AS FARMERS, which is expiring, and WHO WISH TO REMAIN EXEMPT, SHOULD communicate with the registrars under the Military Service Act OF THEIR RESPECTIVE DISTRICTS, REQUESTING AN EXTENSION IN TIME OF SUCH EXEMPTION. Questionnaires will thereupon be issued to these men by the registrar and they will receive further exemption upon furnishing satisfactory proof that they are contributing sufficiently to the national food supply.

2. In order to facilitate productive employment during the winter months, MEN EXEMPTED AS FARMERS SHOULD APPLY TO THE REGISTRARS FOR PERMITS TO ENGAGE FOR THE WINTER IN SOME OCCUPATION OF NATIONAL INTEREST, SUCH AS LUMBERING, MUNITION WORK, ETC. Such permits will serve to enable exempted farmers to pursue other useful occupations for the months during which farming operations cannot be carried on.

## GUARD NOW AGAINST 1919 PLANT DISEASES

### Experimental Farms Note Advises Careful Fall Clean Up

The plant pathologists of the Experimental Farms inform us that of the many destructive plant diseases, none are more difficult to control than those living over in the soil. Year after year notwithstanding the practice of crop rotation, the effects of soil infection often became so pronounced as to cause what is popularly known as "soil sickness." One of the most notorious of these diseases is clover and alfalfa wilt (Sclerotinia) which has given rise to the belief that land may become clover sick. This disease has just begun to show up on the continent of America, and unless prompt precautionary measures are taken there is a possibility of the disease causing similar losses here to what is done in Europe.

A disease similar in nature attacks beans, and there are other instances which call for a word of general advice on matters of prevention.

As soon as crops are harvested, whether gathered in the field, garden or orchard, there is mani-

festated a universal indifference and neglect on the part of some growers towards the condition in which the ground, trees or bushes are left. Were it but known to them that with the refuse left on the ground from crops there exist myriads of germs of serious plant diseases (and also insect pests) ready for hibernation!

Mummied fruits in orchards left undisturbed, either on the trees or on the ground, give rise to a new outbreak of brown rot in spring. Ploughing under affords only limited protection, since it safely buries all fungus material which spring ploughing will bring to the surface of the soil once more after successful hibernation. Prevention, as usual, is decidedly better than cure, and sanitary measures are just as important in field, garden or orchard as in stables and dwellings. As soon as possible after the harvest of each crop—or better, after the growing season is over—a general clean-up is most essential. Where possible, all refuse should be collected; diseased or rotten fruits, leaves, stalks, haulms, etc., should be gathered and the whole destroyed by fire. Material that will not burn readily, such as is common on the fields after harvesting—roots, potatoes, etc.—should be buried in a pit. In orchards, where such measures are followed by the usual dormant sprays, the results will be most beneficial, and field and garden crops will also greatly benefit.

Save for Victory.

To save is the easiest of practices—if you have the will.

Pinch your expenditure a little and you'll find it will pay.

## BOY SCOUTS' COLUMN

Edited by "Pioneer."

### Troop First! Self Last!

Orders for week ending 12th of October, 1918.

Duties—Orderly patrol for week, Beavers; next for duty, Wolves.

Parades—The combined troop will parade at the Club room on Wednesday, 9th instant, at 7.15 p.m. Patrol leaders must be prepared to take charge of their patrols for separate patrol work for at least half an hour and if they cannot be present at any parade they must notify the Scoutmaster and their respective seconds as long before the parade as possible. The idea is that leaders and seconds will attend a parade prepared with their programme beforehand. For the first few parades the tenderfoot and second class work will have to be reviewed and after that we shall tackle the first class and separate badge work.

CUBS—The Wolf Cubs will also hold their first parade for the season at their headquarters in the Old School, on Wednesday, the 9th instant, at 7.15 p.m. All intending recruits for the Cubs will hand in their names to the Cubmaster, Mr. Gordon, principal of the Public School, before the above date.

Last week in the published roll of the troop we inadvertently left out the name of Scout S. Whitehead. He remains attached to the Wolves as before.

Scout E. Groves, of the Eagles, passed the Ambulance and Points of the Compass Tests for his Second Class Badge, on Saturday, 28th September. Patrol Leaders Calder, Parkinson and Taylor are the only ones who obtained the necessary 85 per cent to re-pass the Tenderfoot Tests in a written examination given to the leaders and seconds a short time ago. The remaining leaders and seconds are required to re-pass these tests immediately and also the Second Class Tests.

Cub Bartlett McCarthy is transferred into the troop as a recruit. All recruits from the Cubs are required to pass their Tenderfoot Tests before the end of October, otherwise they will revert back to the Cubs.

The Otter Patrol is the winner of the Aquatic Shield for the year 1917-18, and we heartily congratulate P. L. Parkinson and his Scouts for their good work in obtaining this honour. They are privileged to carry the colours at all parades held up to the end of September next year. At all parades each scout in a patrol is given three marks each for attendance, neatness and conduct, that is a total of nine marks. If he is

late one or two marks are taken off his attendance and he is not considered to be neat unless wearing his uniform. If he is in mufti he obtains no marks under this head, and if parts of his uniform are missing he only gets one or two marks as the case may be. Since the end of September last year, not including camp, there have been 57 parades, at which it was possible for the Otters to obtain a total of 3375 points. They actually obtained 1976 points, or 58 per cent. Their attendance and conduct alone would have placed them in the 80 or 90 per cent. column, but they lost on neatness, as also did the other patrols. The Wolves, Eagles and Beavers followed with 44, 43 and

42 per cent. respectively. The Otters, in addition, held the most separate patrol meetings. On the badges won during the year the Otters also won by a good margin, having obtained 1420 points under this head, for 15 badges including their leaders, 84 hours War Service, and were followed by the Beavers, Wolves and Eagles with 1045, 935, and 490 points respectively. For attendance at camp the Otters fell down and only obtained 42 per cent. for 71, 64 and 20 per cent. obtained by the Eagles, Wolves and Beavers respectively, but they won four out of the seven competitions held there, namely: first and foremost, Tent Inspection, and also the Tenderfoot, Mile at

Scouts Pace and Second Class Ambulance. The Eagles won the Sports and the Kim's Game competition, and the Wolves the Semaphore signalling. Which patrol is going to win this honour for the present year?

Save to lend to your country when it calls.

The will that saves is the will that wins.

The man who saves for his country helps himself.

There are many people who praise God from whom all blessings flow and then proceed to waste them.

## Manual Labor is at a Premium

THE demand for labor exceeds the supply—labor is at a premium. Employers of labor, therefore, are looking for mechanical equipment to make good the shortage.

The motor truck has already proven itself a conservator of manpower.

In your delivery department fewer men will be required if you use the Ford One-Ton Truck. It will release labor for productive work and at the same time improve your delivery.

### ORDER IN COUNCIL

Government House, Victoria.

September 9th, 1918.

**PRESENT:**  
His Honour  
The Lieutenant-Governor in Council:  
WHEREAS by "An Act respecting Pound  
Districts" it is enacted that the Lieutenant-Governor  
in Council may, by order, in Council made  
public by notice in the British Columbia Gazette,  
constitute any part of the Province of British  
Columbia not within the limits of a municipality  
into a pound district.

AND WHEREAS under the provisions of this  
Act application has been made by proprietors of  
land to constitute a pound district in that part of  
the Electoral District of South Okanagan in the  
County of Osoyoos, to be known as the Kelowna  
Rural Pound District and described within the  
following boundaries:

"According to the registered map or plan depos-  
ited in the Land Registry Office at Kamloops, B.C.,  
and being sub-divisions of Lots 128, 129, 130, 131, 132,  
140, and 149, Township 26.

Commencing at the north-west corner of the  
South half of lot 45, being a sub-division of Lot 137,  
then going east to the north-east corner of the south  
half of the north-west quarter section 20, then  
south to the south-east corner of Lot 23, sub-division  
of Lot 129, then west to the south-west corner of  
Lot 24 in Lot 129, then south to the north-east  
corner of Lot 10, sub-division of Lot 147, then due  
west to the south-west corner of Lot 136, then north  
to the north-west corner of Lot 136, then east to the  
south-west corner of sub-division 42 in Lot 136,  
then north to point of commencement, viz: north-  
west corner of south half of Lot 45 in Lot 137."

AND WHEREAS notice of intention to consti-  
tute such district a pound district was given in  
accordance with the requirements of the Act, and  
no objection has been made by any proprietor  
within the proposed pound district.

On the recommendation of the Honourable the  
Minister of Agriculture and under the provisions  
of the "Pound District Act" His Honour the  
Lieutenant-Governor of British Columbia, by and  
with the advice of his Executive Council, has  
been pleased to order, and it is hereby ordered,  
that the district as above described, be constitu-  
ted a Pound District.

J. D. MACLEAN,  
Clerk to the Executive Council,  
Department of Agriculture,  
Victoria,  
Sept. 17th, 1918.

ence.

Eugene Neumeyer left on  
Thursday morning for the coast,  
having been recalled before the  
expiration of his harvest leave to  
join the battalion recruited for  
service in Siberia. He will still  
wear the Red Cross.

A C.P.R. official brought the  
definite news to Mr. Swerdfager  
on Tuesday that a new wharf and  
buildings are to be constructed  
here in the spring. The plans  
show an extension of the wharf  
in the shape of a pier, at which  
boat landings can be made on  
either side, with the agent's of-  
fices, etc., on the north-eastern  
side of the base.

Second Lieut. A. Evans, of the  
Royal Flying Corps, who arrived  
in the city from Toronto on Tues-  
day of last week, left again on  
Friday for Vancouver, his mother  
accompanying him. Lieut. Evans  
is on indefinite leave, but expects  
to receive orders to leave for  
Europe during the early part of  
next month.

Corp. D. H. McLean, still well  
remembered by many Kelowna  
people, so distinguished himself  
during a recent raid that he has  
been awarded his commission. He  
is now training in England, after  
serving in the trenches as a  
sniper for 18 months. His sister,  
Nurse McLean, a graduate of St.  
Paul's, Vancouver (and a gold  
medalist), has joined the Ameri-  
can army, and expects to leave  
for overseas early in October.

**CATERING AT FALL FAIR  
NETTED SUM OF \$149.55**

Not the least important feature  
of the recent Fall Fair was the  
catering; when ladies of the Kel-  
owna Hospital Aid and the local  
Red Cross Society undertook and  
successfully managed the supply  
of meals and refreshments to the  
crowd of visitors. As a result,  
the ever demanding needs of the  
two funds were well supplied, as  
the total amount raised was  
\$173.50. Of this sum, expenses  
amounted to only \$23.95, leaving  
\$149.55 to be evenly divided be-  
tween the two societies. The  
ladies wish to thank Mr. L. Hol-  
man for the sum of \$9.00 derived  
from the sale of his "made while  
you wait" cigars, the money in  
this case being divided between  
the Red Cross Society and one of  
the tobacco funds.

**QUIET WEDDING ON  
MONDAY EVENING**

A quiet wedding took place on  
Monday evening, September 30,  
at the home of Mrs. Mortimer,  
when Mr. Clarence Saville was  
united in matrimony to Miss  
Edna Porkosink, the service be-  
ing conducted by the Rev. E. D.  
Braden. The bride was attended  
by the groom's sister, Miss  
Adelaine Saville, while Mr. Nel-  
son Haynes was attendant upon  
the groom. The happy couple  
will reside in Kelowna.

During the last week or so quite a number of men from the Kelowna district have been wounded in the fighting in France, and in addition to the names appearing in last week's Courier are those of Pte. H. LeFevre, Pte. F. K. Akeroyd, Pte. Tom Alfonso Evans and Private John Stanley Thompson, of Okanagan Mission, while Tuesday's list gave the name of J. M. McCarthy amongst the killed.

Frank Akeroyd is suffering from a gun-shot wound in the left leg received on the 6th September last.

J. R. Campbell felt for Vancouver Wednesday for a week's holiday. Mr. Newby is looking after his business during his absence.

### GLYCERINE MIXTURE FOR APPENDICITIS

Kelowna people can prevent appendicitis with simple buckthorn bark, glycerine, etc., as mixed in Adler-ka. ONE SPOONFUL flushes the ENTIRE bowel tract so completely it relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT, pleasant action of Adler-ka surprises both doctors and patients. Leaves stomach clean and strong. P. B. Willits & Co., druggists.

### AGENTS BUYING FRUIT MUST HAVE LICENSES

The attention of the Canada Food Board has been called to the practice frequently adopted by licensed dealers in apples, turnips, potatoes and other fruits and vegetables, of having men living in different parts of the country acting as their agents, buying or contracting such produce, superintending the loading of same on cars ready for shipment, and receiving a commission from said dealers for such work.

All such agents operating in the manner mentioned, without first having secured a license from the Board, are doing so contrary to the Order dated 13th day of December, 1917, wherein it states: "That on and after the 1st day of February, 1918, no person shall deal wholesale in fresh fruits or fresh vegetables, without first having obtained a license from the Food Controller," and in violating such order are guilty of an offence, and subject to a penalty not to exceed \$1,000.00, and not less than \$100.00.

Mr. J. W. Jones returned from the coast on Wednesday afternoon.

### School Column

By JAMES GORDON, Principal.

Formerly we have been in the habit of issuing the monthly reports to parents on the first of each month; but owing to the pressure of other reports I have asked the teachers to issue their report on the pupil's attendance, conduct and work on the fourth school-day after the end of the month. By this plan parents will receive much more thorough reports. The results of tests and examinations must be added and averaged. This requires time and care. Often tests are given at the end of each month and the possibility of error in adding and averaging on short notice is too great.

Owing to the change of teacher in Division V, it has been deemed advisable not to issue full reports for that class for September.

Miss Wood does not issue reports on the pupils of the Receiving class; for it has been found impossible to report adequately on children whose work cannot be formally tested.

Teachers as a rule try to give as thorough a report on each pupil as the forms will allow, and I sincerely hope that parents will respond to their effort by taking an interest in their children's work.

I should like to protest against the false reports that appeared in our local papers on the incidents of damaging the drum belonging to the band and of the theft of field glasses. As a matter of fact the drum is very little damaged, and what is done might have happened accidentally; and the field glasses were taken by a little boy of five years without any very criminal intent. And in this matter indirectly affecting the school I should like to protest against condemning the boys of Kelowna without inquiry and certainly without proof.

Let me take this opportunity of saying that you will go into a good many towns in B.C. before you will find better behaved boys and girls than in Kelowna. I say this without reserve, for they were well-behaved when I came to the town and long before, and I do not think they have deteriorated. Juvenile delinquency is at a minimum in Kelowna; and in a town like Kelowna with only one constable and endless opportunities for wrong-doing it is a wonder there is so little. Considering that so many fathers and brothers are away it says a great deal for the boys that they are as well-behaved as they are. They certainly do not merit special acts of parliament to keep them in order.

### PERMITS NOW NEEDED TO MOVE BEES WITHIN B.C.

Efforts to Check Outbreaks of Foul Brood

Bee keepers in the Kelowna district and throughout the province will do well to note the two orders in council passed at Victoria on the 17th September last, relative to the moving of bees in an effort to successfully check any further spread of foul brood which has made its appearance in several parts of the province. These orders control the movements of bees from one part of the province to another so as to allow of proper inspection before such movement takes place. If bees are to be moved, a certificate of inspection must first be procured from the local bee inspector certifying that the bees are free of the dreaded disease, the bees must then be moved within thirty days of the date of the certificate or a new document must be obtained. Such certificates must be obtained by "bee-keepers or other persons who sell, barter or give away colonies of bees or any comb, honey or appliances in connection with same."

This is a law that every bee-keeper will rejoice to see put into effect.

At the next regular meeting of the Kelowna Board of Trade, Mr. R. B. Kerr has consented to address the members on "Conditions After the War."

A dollar saved over here helps the boys "over there."

Live within your means and your means will be increased.

### The Canadians Cry

How the L.C. Scheme Helped Our Boys to Victory

An interesting story of a grim battle cry given by the Canadians in a recent battle on the Western front comes here from London through a correspondent of the "Daily Express." Their is particular interest in these two words of grim significance, as a large number of B.C. men were in the fighting referred to and word reached the "Courier" a few days ago that many Kelowna men were amongst those who charged the Huns shouting the "L. C. Scheme." The cry took them forward across the plateau of Santerre, and it was heard three weeks later as, shouting the cry, the men from the Dominion poured through the broken Drocourt line towards Cambrai. The Huns heard it and wondered, and died without knowing what it meant. Those who heard it and came back to the cages were made to realize that it was a cry for just vengeance.

The plans prepared for Canada's share in the offensive were known as the "L.C. Scheme." Less than half a dozen people knew what these letters stood for. Only the highest officers were told of the destination of the corps when it moved south camouflaged by reports of its removal in another direction. The divisions marched by night. Avoiding towns they kept to minor roads and remained screened by day. The secret everybody knew was that they were to attack suddenly in Flanders. The night before the attack the higher officers

assembled and the real secret was revealed. "Tell your men the 'L.C. Scheme' means 'The Llandovery Castle Scheme.' Tell them to remember the sinking of the Llandovery Castle when they go into action tomorrow." The message was taken to every battalion. It was thus handed from platoon to platoon—"Remember the Llandovery Castle." The troops had not forgotten the destruction of their hospital ship in a U-boat, nor the murder of many helpless men, and the watchword stirred them afresh. They fought as they have never fought before. The pirate who sank the Llandovery Castle little knew what it was about.

### MUSIC AND LAUGHTER AT KELOWNA THEATRE

Mr. Leslie Grossmith Scores Great Success

A well filled house enjoyed Mr. Leslie Grossmith's entertainment at the Kelowna Theatre on Monday evening. Mr. Grossmith demonstrated that he is not only a humourist but a musician and composer of no mean degree, the latter fact being proved by his own composition: "The Leslie March." The two classical items Mendelssohn's "Andante" and Rondo Capriccioso, and Chopin's "Polonaise in A Flat" were a rare musical treat, while as a feat of playing with the left hand only his interpretation of Donizetti's "Com E Gentil" was of a high order. There was fun and laughter in plenty in which the "Employment Bureau," "The Curate" and the "Charing Cross Coster" vied with each other in producing roars of laughter.
